Dear Officer,

I was thrilled when I heard about this job opportunity on campus. I wanted to make sure that other than taking the classes here at ASU, I will be using my time as wisely as possible. Taking this front desk job can make sure I do just that. Instead of staying in my room, I have a chance to help others in need.

Thank you for considering my application, I look forward to being one of ASU's part-time employees.

Sincerely,

Brian Hou
